March 28, 2018

Today, pervasive violence in our schools and communities, and all the social, academic and economic issues contributing to that violence, calls for a coalition of community partners (faith, business social, civic) to act together to create a powerful force for the education and socialization of our youth.

For more than 25 years, One Church One School (OCOS) has spearheaded a national movement of faith based/school partnerships that support the academic achievement, social behavior and personal development of our children and youth in our nation’s schools. This valuable work is primarily carried out by a cadre of volunteers.

Teaching the value of life and learning, these OCOS volunteers have met the needs of children who have little or no adult support, or lack basic human needs and a safe space for life or learning. Simply stated, OCOS volunteers keep our young people from crime and on a path to life successes.

The 20th Annual One Church One School National Partnership Conference will be held October 24-26, 2018 in Chicago, Illinois.

The goals of the conference include the following:

(a) Attain 100 new faith-based and community partnerships;
(b) Strengthen the 200+ current partnerships;
(c) Celebrate student success;
(d) Provide $1,000.00 College Scholarships to high school seniors

We need your help to achieve these goals. Please consider being a conference sponsor, registering yourself and others for the conference or making a financial donation. You may visit our web-site at www.onechurchoneschool.org for more information, to become a conference sponsor or to make financial contributions. You may also call Dr. Phedonia Jones Johnson, Executive Director at (773) 651-0071.

Thank you on behalf of our children who need our guidance and support now, more than ever.

Sincerely,

Henry M. Williamson Sr., President

Bishop Henry M. Williamson Sr., President
OUR PURPOSE

The purpose of this packet is to request your support and involvement as a sponsor of our:

ONE CHURCH ONE SCHOOL
20 TH PARTNERSHIP CONFERENCE
Our History

One Church One School (OCOS) was founded 26 years ago by Bishop Henry M. Williamson, Sr., as a nationwide community action program designed to assist parents, students, teachers, school administrators and communities to assist in positively impacting educational and social outcomes for children with complex needs. Faith-based institutions embraced the concept and an interdenominational national network of partnerships was formed. Today, One Church One School is a freestanding not-for-profit organization with 501c3 status.

The organizational goals of One Church One School include improving student academic performance, fostering appropriate social behavior and personal development, teaching each child to value life and learning.

Since its inception, One Church One School has a simple model of providing one school with the power of one church’s volunteer corps and resources. Today, the nationwide program has over 2,000 volunteers supporting more than 300 partnerships in 20 states and 40 cities. To date, One Church One School has been successful in developing partnerships supporting the academic mission of its’ school partners, empowering underrepresented ethnic minority students who have complex social, emotional, behavioral and economic challenges, to maximize their potential. Programs offered services as tutoring, mentoring, after school support, homework assistance, leadership activities and career building programs.

Based on these services, One Church One School has developed five demonstration models: Attendance Improvement Program, Dream Keepers Workshop, Freedom School, World Citizen’s Camp and Student Empowerment Seminars. Too often, young people live in unhealthy conditions that leave them more vulnerable than others to involvement in crime, drug and alcohol abuse, early pregnancy and school absenteeism. One Church One School programs teach youth to Value Life and to Value Learning. Valuing life means placing a very high premium on their mind, body, and emotion and to place that same high premium on the lives of others.
THE CONFERENCE

The Conference includes a high energy, interactive Youth Empowerment session.

- The Conference will explore Solutions to School and Community Violence, Mental Health, Academic support, Youth development, Mentoring, Ethnic Heritage, Volunteering in schools, Faith based partnerships.

- One Church One School will provide students, parents, educators, pastors, parishioners, staff, boards, and volunteers with valuable information on how to strengthen, nurture, and fortify youth.

- The Conference will also provide training and direction for individuals interested in working with youth and in establishing an OCOS partnership in their community.

- The Conference serves as an excellent opportunity for your company to promote itself among a dynamic group of leaders and key influencers.

- The projected attendance at the Conference is 500.
SPONSORSHIP LEVELS

There are multiple levels of support that can be provided by you and/or your organization that will greatly assist in our implementing this important program.
